

CLASSIFIED BOARD

SHAREHOLDER PROPOSAL

REPEAL CLASSIFIED BOARD

Submitted by William C. Thompson, Jr., Comptroller, City of New York, on behalf of the Boards of Trustees of the New York City Employees' Retirement System, and the New York City Board of Education Retirement.

BE IT RESOLVED, that the stockholders of **Convergys Corporation** request that the Board of Directors take the necessary steps to declassify the Board of Directors and establish annual elections of directors, whereby directors would be elected annually and not by classes. This policy would take effect immediately, and be applicable to the re-election of any incumbent director whose term, under the current classified system, subsequently expires.

SUPPORTING STATEMENT

We believe that the ability to elect directors is the single most important use of the shareholder franchise. Accordingly, directors should be accountable to shareholders on an annual basis. The election of directors by classes, in our opinion, minimizes accountability and precludes the full exercise of the rights of shareholders to approve or disapprove annually the performance of a director or directors.

In addition, since only a fraction of the Board of Directors is elected annually, we believe that classified boards could frustrate, to the detriment of long-term shareholder interest, the efforts of a bidder to acquire control or a challenger to engage successfully in a proxy contest.

We urge your support for the proposal to repeal the classified board and establish that all directors be elected annually.
